A TRULY GRAND EXPERIENCE

Lindsey Ueberroth

Dear Travelers,

Following an amazing few months of travel, I returned with a renewed appreciation for the opportunities there are to go almost anywhere my heart desires. I took full advantage of exploring new places and revisiting some much-beloved destinations; both with stays at iconic hotels and brand-new openings. It has been fantastic to pack my bags, board that plane, and enjoy the sense of arrival again.

This past year, I traveled from New York City to Lake Como, Italy, and Spain's Lecrin Valley to the ABCs of South America – Argentina, Brazil, and Chile – and many destinations in between. Travel has always brought me inspiration, wonder, and excitement. This past year's travel has been all those things, and it also brought me extreme gratitude, a greater appreciation for the little things, and most importantly, it brought me to the people who make these places come alive.

"Believe in Travel" has been our guiding principle for the past few years. It has also taken on a more symbolic and powerful influence today. We are deeply passionate about connecting people who have the same curiosity and enthusiasm for travel with the people waiting to greet them with open arms and unparalleled experiences on the other side. Travel is not only about the magnificent hotels — it is equally about the amazing people who give their hearts and make them Preferred.

With this renewed focus on our belief in travel, I am excited to announce we have rebranded the name of our parent company from Preferred Hotel Group to Preferred Travel Group. It is a nuanced and important change that reflects our evolution and more accurately reflects our portfolio of brands and suite of services. The company rebrand allows us to maintain the strong identities of each individual brand including Preferred Hotels & Resorts, Beyond Green, Historic Hotels Worldwide, and Historic Hotels of America and focus on the key attributes of each one.

On behalf of our global team, I want to express my sincere gratitude for your continuous support. We are so excited for all of the opportunities the months ahead will bring and invite you to join in our love of travel by tagging social media photos of you or your clients enjoying experiences at any of our hotels around the world with [#ThePreferredLife](#) and [#BelieveInTravel](#).

With gratitude,

Lindsey Ueberroth
